

from talking heads to rolling stones!

- How do we get action into counselling and what is action?

The 5th Nordic Conference on Sociodynamic Counselling takes place from 23rd to 25th of May 2007 in Nynäshamn, Stockholm, Sweden.

The purpose of the conference is to continue Vance Peavey's work on the field of sociodynamic counselling and this time we want to go forward, as the conference title expresses: **from talking heads to rolling stones**. How do we get action into counselling and what is action? We'll use and explore tools for counselling that gets people "rolling". We're also going back to central concepts in sociodynamic counselling, like empowerment and life space. Important in the conference is also building network and changing ideas between practitioners, trainers and researchers from the different Nordic countries.

Counsellors, trainers and researchers from the Nordic countries are invited to this conference that has a limited participation of 40 persons. Registrations will be accepted with consideration to geographical aspects and professional diversity in order to ensure a comprehensive and multinational representation.

The conference will be situated at *Skärgårdshotellet* in Nynäshamn, about one hour with local train from Stockholm. http://www.skargardshotellet.com/index_english.html

The total fee is 390 Euros or 3600 Skr. Included in the fee: accommodation in single room with bath (2 nights), 2 breakfasts, 3 lunches, and 2 dinners + coffee/tee breaks. Fee for an extra night in the hotel including breakfast is 830 Skr.

Participant fee shall be paid after the registration. The instructions for the payment shall be sent to you together with the travelling instructions.

On Wednesday the 23rd of May the conference starts with lunch at 12:00 noon.
